The Pastors remarks concurred.

Report of a Meeting of the United Pastoral Committees of Lynn and East Lynn:

In December the Evangelistic Com' sent to the Pastoral Committees of Lynn and East Lynn. a proposition that the two meetings unite under one Pastoral Committee. This proposition was considered in each Pastoral Committee separately and united with. The Committees then met unitedly and discussed the subject with the result, that it was decided to make the following proposition to the members of the two Congregations Viz- That the two meetings be United with One business meeting. One Pastoral Committee, and with one

set of officers and committees, with sub committees when desirable, but with the understanding that there be, for the present at least, a Treasurer and assistant Treasurer and a Finance Committee with Sub Committees for each section - this union to be operative as soon as ratified by both meetings.
Financially we believe that the work can be run unitedly without greater expense than at present. The same aid as at present being available from the Evangelistic Committee.
We think that there should be one pastor and an assistant.

Notice was given of a United Central Committee meeting on Feb. 11 at 8 o'clock P.M.

A question was asked as to what meetings were to be held and when they were to be held and this was referred to the United Central Committee.

Invitations were sent to 26 persons, not in membership, who attend our meetings, and 12 were present.

The records of the previous meeting were read

The report of the proceedings of the Pastoral Committee was then considered, and in substance was as follows —

THE SOCIETY OF FRIENDS

Lynn, Mass.

Dear Fellow-member:

As it became apparent some time ago that it would be impossible for the Pastoral Committee to secure two pastors for the Lynn meetings, as first planned, we have been endeavoring to engage a pastor and an assistant. The pastor to have the general oversight of the activities of both meetings, attending the Sabbath morning meeting for worship at Silsbee Street at 10.30 and the Eastern Avenue meeting in the evening at 7 o'clock. The assistant to devote her time especially to visitation among the membership of the Meetings and Bible Schools, and in general christian work as opportunities offer and the Master leads.

Miss Bessie Smith has been secured as the assistant, and has entered upon her duties. The Committee is doing its best to have some minister or speaker for the Sabbath services and earnestly hopes that a permanent pastor - the right man for the place - will soon be in sight. Let us bear in mind that we come to meeting - not only for the teaching and inspiration of the sermon- but that we may as individuals, and collectively, worship our Father in Heaven, depending upon the Holy Spirit to teach us and lead us in seeking after those things that are for our good and the extension of His Kingdom upon earth.

We earnestly desire the cooperation of all our members and their moral and financial support in promoting the cause of Quakerism in Lynn. Your regular attendance at the meetings helps not only yourselves, but others. "As iron sharpeneth iron so doth the countenance of a man his friend." Prov. 27:17.

With cordial greetings and best wishes for the New Year.

Your friends the

PASTORAL COMMITTEE.

1st month, 1921.

NOTE - Bessie Smith's address is

19 Lewis Place (off Lewis St.)
East Lynn,
Telephone - 1125-J.

The sub-committee under appointment to secure workers for the meetings reported at the October meeting that it had arranged with Bessie Smith to come to us early in November as proposed.

Pastoral Committees Report

It has reported to the pastoral committee from time to time its efforts to secure a permanent minister, which so far have been unavailing.

Murray S. Kenworthy to whom a call was extended felt that it would be unwise for him to leave his present field, as the need there is so urgent.

Arrangements have been made to have a minister present at nearly all the regular meetings.

John N. Maier followed with remarks on the present situation of our meetings as regards pastoral relations & the outlook for its future.

Bessie Smith

Bessie Smith gave an interesting report of her work during the two months that she has been with us. She has made 102 calls and distributed clothing, shoes and other material aid to those in need.

The Finance Committee and the House Committee had no reports.
The Supt of the Sibley St School not being present on account of illness, submitted a written report. A verbal report of the East Lynne school was given.

The Womens Foreign Missionary Society & the Ladies Aid presented interesting reports.
The Ladies also made a statement of the War Relief Work done for the women & children of central Europe. Since beginning sewing in May 1917 over 1000 garments have been made & sent. 125 during 1920.
War relief work
These have been forwarded through the American Friends Service Committee.

During the year the Lynn Masonic Temple Association has completed the purchase of the Broad St. property and made the final payments together with the interest

on the deferred payments. All of this amount has been used to decrease the mortgages so that today the total amount of the mortgages on the property has been reduced to Eight Thousand Dollars ($8.000.00) This amount would have been still further reduced were it not that Two thousand dollars of our balance is at present held under an attachment which renders it impossible for it to be drawn on. We expect soon to have this attachment dissolved and to apply this amount to a further reduction of the mortgage.

They also reported that a very satisfactory conference had been

held with O Hervey Folger as planned and word had since been recived that he would be willing to come as pastor on the terms proposed - a salary of $2500 with one months vacation.

It was the feeling of the committee that our action taken in January should be renewed and he be called to come as pastor. To the Preparative Meeting

Since our meeting in July the Pastoral Committee attended to securing supplies up to the time of the coming of C Herschel Folger the first of October.

Plans were made to observe the first Sunday when our pastor was with us as Rally Day

The attendance Sunday Morning since that day has been 75 and in the evening about 60.

The plan of a monthly calender of events has been discussed and is at this time in the hands of a committee with power to act

On Wednesday, Thursday & Friday of next week a conference on Evangelism will be held in this town under the Auspices of the

Evang. Com. of the Yearly Mtg.

The ladies did well serve the necessary meals but this meeting is asked to appoint some one to find homes for those who may attend

The first chapter of the new study book, "The Kingdom and the Nations" was well presented by Mary S. Paige giving us a new insight into Japans needs and problems and the great opportunity of American Christians.

The society voted to change the time of meeting from afternoon to evening, the exact day to be decided later. We hope that as a result of this change many new faces may be seen at our future meetings.

Preceding the meeting for business a supper was served in the lower room, about 50 members being seated at the tables, most of whom remained for the meeting

The reports of the Finance Committee of Lynn, Treasurer's of E Lynn & Lynn and the Trustees have been read and accepted.

The following is an extract taken from the report of the Finance Committee:-

To Lynn Preparative Meeting

Your Finance Committee has had several difficult problems to cope with during the past year

not least among which has been that of raising our quota of the Forward Movement expense. The amount alloted to us was $1340. and by various means, including letters, personal solicitation and platform appeal, we have managed to secure pledges for $1193.50 leaving $146.50 still to be accounted for.

Of the amount pledged $846.20 or slightly better than 70% has already been paid in and we wish to remind those of you who have unpaid pledges that the amount which you have pledged should be in the hands of our treasurer prior to April 1st

We hope that before this meeting closes the balance of $146.50 may be pledged.

No of calls made 637

Conferences have been held with the Lynn Overseers of the Poor; Red Cross; Associated Charities; Lynn Hospital and the Child Welfare in the interest of some of our people.

A Girls' Club has been started at Silsbee St. composed of girls from both Little Schools which we hope will develop into a Camp Fire in the near future. The girls dressed dolls at Christmas time which were given to the Italian children of Goodwill Centre

Elyria Primary Dept. also contributed some of their hand work to the same school.

The Round Table opened in the fall upon its second year of study. The attendance has been very good still we trust for a deeper interest on the part of our young people.

I would suggest three things which will aid in bringing this ideal condition among our young people, namely: — Prayer, Personal Work and Tact. Also the reading of the Queries by the Clerk once a month at the morning meeting for worship.

This act would stimulate the Christian life of the older members, and help the young to measure up to the Christian standard held by the Society of Friends

Reports from the Womens Foreign Missionary Society and the Ladies Aid have been read and approved.

Our Pastor have given an interesting report touching on Boy Scout work Pursuant Relief & this work in this meeting closing with a period of prayer.

The repairs and alterations at 56 Silsbee St have been completed and the Trustees have paid for same to date $14,204.90 there

remains unpaid on these alterations the sum of $783.31 represented by bills which have been held up for one reason or another. This will make the total cost of the alterations $14,983.21 All of the suites were let before the alteration had proceeded very far and we were obliged to turn applicants away but several of the people changed their minds at the last minute so that there are at present three vacant suites. However, the five suites which are occupied bring in a weekly rental of $63.00 which is sufficient to carry the building with out loss. And we hope that the remaining suites will be occupied in the near future.

The trustees have also completed the re-purchase of the land on Broad Street from the Lyric Masonic Temple Building Co. at the same price for which

it was sold to them.
